EASTER SUNDAY OF THE RESURRECTION

Much as it may sound surprising to us, the Resurrection of Jesus seemed to be a surprise to His disciples. Mary of Magdala's first reaction is logical: the body was stolen. Peter and the Beloved Disciple see for themselves that the tomb is empty, but only one believes. They did not understand the Scripture. We are reminded that we live by faith and we seek understanding. Easter morning gives us our north star, the guiding light by

which we live our lives. The death of Jesus was not His end. He was raised in a wholly unexpected way to new life. His destiny is ours; His new life will be shared by us who seek to follow Him. On this Easter morning, may we be open to the unexpected ways that God may work in our lives.
